- Title company: Seller's title company is highly experienced in the critical details regarding short sale closings. Buyer has the option to choose the title company of their choice. However, buyer is aware it is **likely in their best interests** to choose seller's title company for the following reasons:

If buyer chooses to use seller's title company to close their side of the transaction:

1. Buyer will be charged a **discounted closing fee of \$150.00**.
2. Seller's title company will order title work at time of purchase agreement. In the event of any title issues that would prohibit closing, it **allows time for those issues to be resolved** during the short sale approval time period. If title issues are discovered that cannot be resolved and prohibit closing, all parties will be informed immediately and purchase agreement can be canceled.
3. If there are any title fees for buyer not allowed to be paid from sale proceeds as determined by seller's lender, **those fees will be waived by seller's title company**.

If buyer chooses to use a title company other than seller's title company:

1. Title work will not be ordered until after short sale approval. If there are title issues discovered that prohibit closing, it will likely be **too late to resolve**, closing may be delayed or canceled, and **buyer has waited and lost 2-3 months in the process**.
2. If buyer's title company charges any fees that are not approved to be paid from sale proceeds, they **will be at the expense of the buyer**. This is not an uncommon occurrence.
3. If buyer's title company or buyer's lender cannot close the transaction by deadline on short sale approval letter, any per diem costs imposed by seller's lender **will be at the expense of the buyer**.

Buyer initial one:

_____ Buyer chooses to use seller's title company to close their side of the transaction.

_____ Buyer chooses to use title company other than Seller's title company to close their side of the transaction

We, the buyer(s) and buyers' agent have read, understand, and agree to all terms of this addendum. We agree that this addendum supersedes all other terms of the purchase agreement.
